

Next trip is to ROMANIA – DEJ. I am excited about it! I heard it is a country of Dracula...

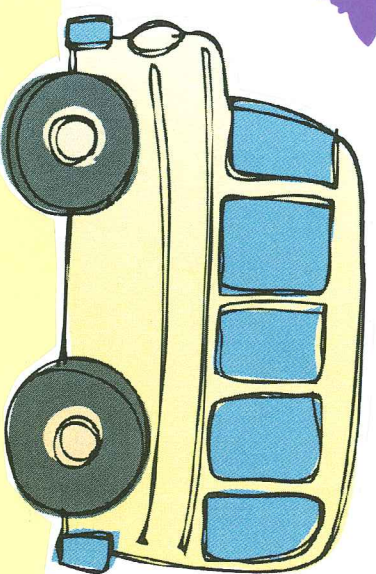

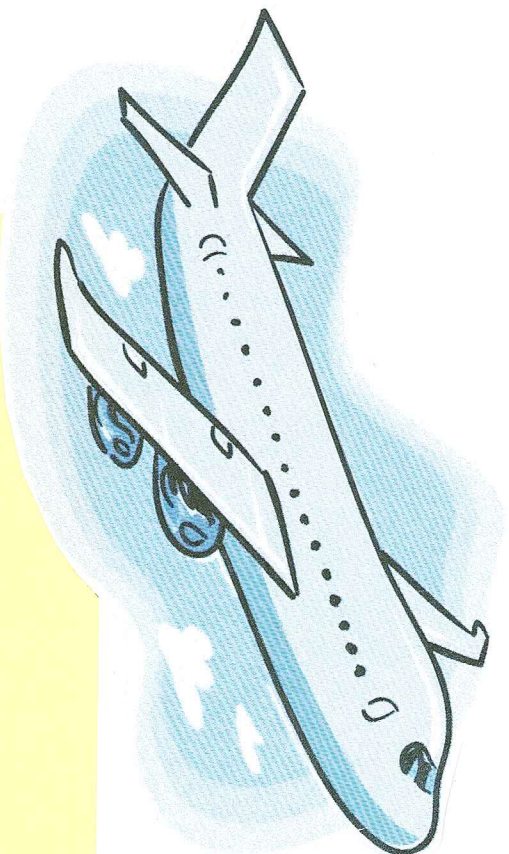

Następna podróż jest do Rumunii – Dej. Jestem podekscytowany! Styszataw, że to kraj Drakuli...

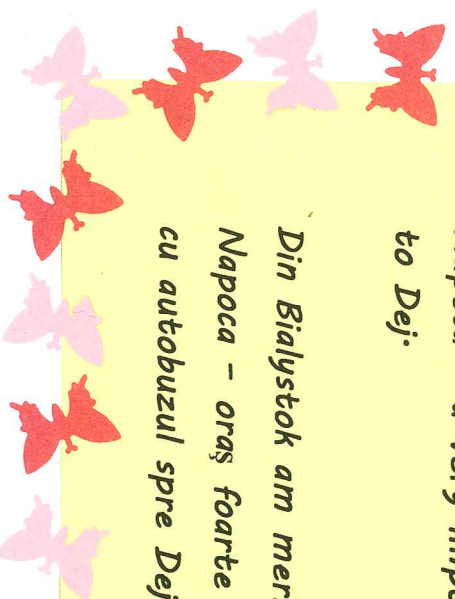

It was very interesting to see places, schools, students and teachers in different European countries. It was nice to see so many similarities and differences at the same time.

A fost foarte interesant să văd locuri, școli, elevi și profesori în diferite țări ale Europei. A fost plăcut să văd în același timp, atâtea asemănări și deosebiri între noi.

From Bialystok I took the bus to Warsaw, and next the plane to Cluj Napoca – a very important city in Romania. I continued my travel by bus to Dej.

Din Bialystok am mers cu autobuzul în Varșovia apoi cu avionul în Cluj Napoca – oraș foarte important din România. Am continuat apoi călătoria cu autobuzul spre Dej.

CAPITOL 1:

Locul: Țară, regiune, oraș

Romania is a beautiful country crossed by the Danube river which flows into the Black Sea, through Delta Dunării – a well known natural reservation. There are plains, hills, highlands and mountains; there are rivers and lakes with salty or sweet waters, there are mineral and thermal springs.

Danube Delta

România este o țară frumoasă traversată de fluviul Dunărea, care se varsă în Marea Neagră prin Delta Dunării – o cunoscută rezervație naturală. Țara are câmpii, dealuri, podișuri și munți, are râuri și lacuri cu ape sărate sau dulci, are izvoare cu ape minerale și termale.

CLUJ COUNTY

Dej is an important city in Cluj County, in a place where two rivers meet: Great and Small Someș. The town was atested in 1214. It lies on a large salt deposit in Transilvania, where roads and railways from different regions meet.

DEJ

Dejul este un oraș important din județul Cluj, aflat la confluența râurilor Someșul Mare și Someșul Mic, atestat în anul 1214. Se întinde pe un zăcământ de sare, la intersecția unor căi rutiere și feroviare, care unesc diferite regiuni ale țării.
